www.sces.org

SC Works – Trident
843-574-1800
www.tridentworks.org

OTHER FINANCIAL TIPS

Ask mortgage lender and insurance companies
for any rebates or late/partial payment options
including skipping one month's payment.

Some auto insurance companies are
rebating a portion of premiums
since no one is driving to work/school.

Contact your cable provider for a better deal.
If you threaten to cancel, you will usually get a better rate.
